For information on UKC registration go to www.ukcdogs.com.

Procedures at this trial will comply with current Iowa Covid-19 recommendations as of the dates of the trial. We are asking that you wear a mask or face shield when out in public, no matter the distance between people. We will have hand sanitizer available in specified spots. Arrangements will be made so that you won't have to wear mask when competing unless you want to. Briefings will be in person, in a line with 6-8 ft between competitors, a quick in and out and back to your car. All competitors will be kenneling out of your car UNLESS you are volunteering your car for the Vehicle Element in which case you will be given permission to kennel your dog and set up a chair in the barn. We will need volunteer vehicles so please let trial chair know as soon as possible. Once the show entries close we will be able to send you a time of arrival email so you can run your elements and leave. This trial will be ran on very minimal volunteer staff so please be attentive. There will be no gallery (which means no videographer either) at this trial to minimize the number of people in the search areas. Move up forms will be in a designated spot and will be gathered throughout the day and given to the secretary by end of trial on Saturday. Move ups will not be allowed on Sunday morning. Move up forms can be found on UKC website or on K9 Sports Club website if you want to print out ahead of time and have ready. You may want to stick a pen in with your gear so we aren't having to disinfect any pens that are shared in the check in and move up process. Thanks for working with K9 Sports Club so we can hold this trial!!
